To Whom It May Concern:

I want to inform the Court that Mr. Fried has been helping me on several projects over the last few years. The most important of which is my upcoming autobiography. Mr. Fried has been working tirelessly on these projects as he knows that he will receive a generous compensation for his work and that he plans on paying at least \$40,000 towards his restitution. I would need Mr. Fried with me until at least May 3<sup>rd</sup> so he can get paid. In addition to my autobiography Mr. Fried has been working on a documentary which I am the lead, he has been instrumental in helping me prepare litigation against a former financial advisor and has been an advisor for an upcoming reality show. I would ask the Court to allow him to finish the projects he has been involved in and provide an extension for his surrender until at least May 3<sup>rd</sup>.
